INFORMATION DISCLOSURE STATEMENT (IDS)

Dear Sirs:

The enclosed Information Disclosure Statement is submitted under 37 CFR 1.97(c). (This filing is believed to occur before the mailing of a final office action or other action that closes prosecution on the merits). A Credit Card authorization is provided enclosed herewith for the \$180 filing fee.

The IDS filed on July 7, 2005 listed a reference for "BRADLEY", but contained a clerical error in the citation of the patent number. The number cited in that IDS was 3,276,549, but the actual number is 3,726,549. The date and Patentee information was correctly reported. This IDS re-submits those entries with the correct patent number.

Applicant by submitting the references taken alone or in combination neither represents nor admits that such references anticipate or render obvious the present invention. It is requested that the information disclosed herein be made of record in this application, and consideration of all references in relation to this application is respectfully requested.
